

Heavenly Father,

We lift up the town of Coalisland to You today, asking for Your grace and peace to rest upon our community.

We pray first for our churches, community groups and leaders. Grant them renewed energy, wisdom, and a spirit of unity as they serve and bring people together.

Bless our local businesses and those who work hard every day. We pray for our town center, our shops, and our local economy to thrive, remain resilient, and be a place of opportunity.

Lord, we bring before You those carrying the heaviest burdens, especially those who are grieving, battling addictions or mental health struggles. Break those chains, comfort them, and let Coalisland be a place of true healing and restoration.

We look to our future and pray for our young people and families. Guide the steps of our youth, spark their potential, and give them safe spaces, hope and purpose.

We remember our elderly, the lonely, and the sick. Wrap them in comfort, restore their health, and ensure they are never forgotten, but always surrounded by neighborly care.

Finally, we ask that Your Holy Spirit move powerfully through our town, working directly in people's lives to change hearts, help them grow deeply in faith, and to live their lives for you.

Knit this town closer together, Lord, and by the power of Your Spirit, make Coalisland a beacon of strength and faith.

In the holy name of Jesus we pray.
Amen.
